

Making an Appointment

New patient appointments may be made by calling the office at 360-566-9355. Established patient appointment requests may be made via phone or the patient portal. Same Day Appointments may also be made using our Healow app. Same Day appointments on-line are scheduled with one of our two Nurse Practitioners, Sergio Fernandez or Matt Oxiles.

If you have not yet chosen a physician, you may wish to read about each of our providers here online. You can review detailed information about any provider on staff, such as educational background and professional training.

Cancelling an Appointment

If you are unable to keep an appointment, please notify the office at least 24 hours in advance so that we can accommodate other patients who need appointments. Appointments cancelled with less than 24 hours' notice; a \$35.00 will be charged. For Same Day appointments, a 3 hours cancellation notice before appointment time should be given to avoid the \$35,00 cancellation fee.
